ANA DE HOLLANDA
VIOLETA MOITZE
EDUARD ESPINET

8:00-8:15 Presentation and welcome. **Dr. Arcocha, Dr. Biondo, Dr. Osorio, Dr. Kawahara, Dr. Pujol.**

8:15-9:00

PREVENTING POSTOPERATIVE GERD. Better before than after

Commentators: **Nicola di Lorenzo** and **José Vicente Ferrer**

- Is Nissen-Sleeve the solution? – **David Nocca**
- The perfect shape of a sleeve to prevent GERD – **Almino Ramos**
- The perfect RYGBP to prevent marginal ulcer and GERD – **Mariano Palermo**

9:00-11:00

LIVE LAPAROSCOPIC SURGERIES

Commentators: **Antonio Torres** and **Almino Ramos**

- **Bruno Dillemans** – Conversion from gastric banding to RYGBP due to weight regain
Pre- and postoperative endoscopic evaluation: **Manoel Galvao**
- **Mario Nora** – Revision of RYGBP due to anastomotic ulcer and acid GERD
Pre- and postoperative endoscopic evaluation: **Manoel Galvao**

11:00-11:30

TREATING PATIENTS WITH BMI < 35 kg/m². Focus in the long term

Commentators: **Débora Acín** and **Pep Vidal**

- Surgery – **Nicola di Lorenzo**
- Endoscopic treatments – **Manoel Galvao**
- Medical treatment – **Ana de Holanda**

11:30-12:00

COFFEE BREAK

12:00-14:00

LIVE LAPAROSCOPIC SURGERIES

Commentators: **Mario Nora** and **Amador García**

- **Ainitze Ibarzabal** – Revisional RYGBP
- **Javier Osorio** – Revisional Duodenal switch

14:00-15:00

LUNCH

15:00-15:15

TRAINING IN BARIATRICS: the safe learning curve

Commentators: **Ramón Vilallonga** and **Jorge Bravo**

- Laparoscopic SADIS & DS – **Javier Osorio**
- Robotic RYGBP - **Carlos Vaz**

15:15-17:15

LIVE ROBOTIC SURGERIES

Commentators: **Jorge Bravo** and **Ramon Vilallonga**

- **Adriana Torcivia** – Robotic RYGBP Higa technique
- **Santiago Azagra** – Robotic RYGBP Lonrot technique

17:15-18:45

BREAKING EVIDENCES IN BARIATRIC SURGERY

Moderators: **Mariano Palermo** and **Fátima Sabench**

- OAGBP vs. RYGBP – **Maude Robert**. Response: **Giuseppe Navarra**
- SADI-S vs. RYGBP – **Maude Robert**. Response: **Antonio Torres**
- SADI-S vs. DS – **Jordi Pujol**. Response: **Andrés Sánchez Pernaute**
- Tailored vs. standard limb lengths – **Marta Guimaraes**. Response: **Débora Acín**

- 8:00-9:00** **FACILITATING ACCESS TO OBESITY TREATMENT.** The tip of the iceberg
Moderators: **Noelia Perez-Romero** and **Anna Casajoana**
 - Fighting stigma barriers to care access – **Violeta Moitzé**
 - Alternative sites of care - **Norberto Cassinello**
 - Outpatient clinic surgery – **Adriana Torcivia**
 - Surgical tourism – **Elias Ortiz**
- 9:00-11:00** **LIVE LAPAROSCOPIC and ENDOSCOPIC SURGERIES**
Commentators: **David Nocca** and **Antonio Torres**
 • **Almino Ramos** - Duodenal switch to normal anatomy
 • **Jordi Pujol** – Intestinal Bipartition
 Pre- and postoperative endoscopic evaluation: **Norberto Cassinello**
 • **Manoel Galvao & Eduard Espinet** – *live connexion with Clinical Diagonal(Barcelona)* – *endoscopic primary and revisional procedures*
- 11:00-11:30** **INTESTINAL BIPARTITION and ILEAL SURGERY: Here to stay?**
Moderators: **Marta Guimaraes** and **Jordi Pujol**
 • Yes: **Sergio Santoro**
 • No: **Amador García**
- 11:30-12:00** COFFEE BREAK
- 12:00-14:00** **LIVE LAPAROSCOPIC SURGERIES**
Commentators: **José Vicente Ferrer** and **Amador García**
 • **Nilton Kawahara** – Conversion of sleeve to DS due to weight regain
 • **Andrés Sánchez Pernaute** – Conversion of sleeve to SADI-S due to insufficient weight lose
- 14:00-15:00** LUNCH
- 15:00-15:15** **A sense of utility gives robotics its added value**
Commentators: **Carlos Vaz** and **Javier Osorio**
 • Speaker: **Santiago Azagra**
- 15:15-17:15** **LIVE ROBOTIC SURGERIES**
Commentators: **Carlos Vaz** and **Javier Osorio**
 • **Jorge Bravo** – Revisional Surgery
 • **Ramón Vilallonga** – Revisional Surgery
 • **Jordi Tarascó** – *live connexion with Hospital Germans Trias i Pujol (Badalona)* – *revisional robotic surgery transmitted with augmented reality*
- 17:15-18:45** **WHEN SURGERY FAILS.** Stop blaming the patient and propose a solution
Moderators: **Núria Vilarrasa** and **Javier Osorio**
 • Anti-obesity drugs: Pros - **Josep Vidal**; cons – **Bruno Dillemans**
 • Surgery after a failed sleeve: SADI-S – **Andrés Sánchez Pernaute**; DS- **Nilton Kawahara**; OAGBP - **Guiseppe Navarra**; Intestinal bipartition – **Sergio Santoro**
 • Surgery after a failed RYGBP: More restriction – **Bruno Dillemans**; distalization – **Ainitze Ibarzabal**
- 18:45-19:00** Closure of the course (Dr. Pujol, Dr. Osorio and Dr. Kawahara)
